

ESD Packaging Directive

Proemion GmbH, Donaustr. 14, 36043 Fulda, Germany

Proemion GmbH facilities are designated ESD-protected areas (EPA) in accordance with standard DIN EN 61340-5-1 and DIN EN 61345-5-2 requirements.

Directive excerpt:

„All materials generating static electricity, i.e., untreated plastic films, foams, synthetic fibers, adhesive tapes, etc., are prohibited for use as close-fitting or wrapping packaging materials and should be kept away from the EPA.“

(DIN EN 61340-5-2 Abschnitt 6)

These materials produce electrical fields which can damage or destroy unprotected ESD-sensitive components stored or processed near its surroundings.

Goods delivered in inappropriate packaging shall be repackaged by Proemion GmbH upon receipt.

These following costs shall apply:

- + QA-lump sum: 50,- Euro
- + Repackaging: 50,- Euro per hour

Our objective:

Ensuring ESD compliant packaging at our facility in co-operation with our qualified retail partners:

- + Schutz elektronischer Bauelemente
- + Vermeidung von Umpacken im Wareneingang
- + Vermeidung von Abfall
